

REGISTRATION: Plan for your group to arrive **during** the scheduled registration—we will be unable to register your group or have you move in before the listed time. Registration will take place in front of Kratz Residence Hall at Goshen College. To expedite the registration process, we would suggest that only one sponsor represents your entire group for registration. In addition, at the time of registration we will assign rooms before your group will be issued keys. Finally, we encourage you to pay the full registration amount upon arrival. All checks should be made out to Camp Friedenswald. Please note that the pre-registration fee of \$25 is non-refundable. For any cancellations, we encourage you to find other youth to replace those not coming. Let us know immediately of **any changes** in your registration, especially if it entails a change in **gender**.

MEDICAL RISK AND RELEASE FORMS: Please be sure each participant under age 18 completed and signed the authorization for medical treatment on the registration form prior to the event.

SMALL GROUP TIME: There will be small group time after every worship session for individual youth groups to meet. Each speaker will provide discussion cues related to the session topics to help facilitate this time of sharing and reflection for your group.

ORGANIZED GROUP GAMES: Enjoy the fun and excitement of cooperative, active games that encourage teamwork and inclusion. Other activities will be available during this time as well: tennis, pick-up games of soccer, basketball, sand volleyball, etc. (All equipment except tennis rackets and tennis balls will be provided.)

PHONE CONTACT INFORMATION: In the event of an emergency, you and your group can be contacted by calling the Goshen College Office of Conferences and Events. The number is (574) 535-7881. You can leave a message and the director will be paged.

SPONSOR RESPONSIBILITIES: Sponsors play a critical role in making this gathering a success. Therefore, we request that you provide at least **one sponsor for every five youth** and be aware of gender for dorm supervision. As sponsors, we ask for your help in seeing that issues related to the group covenant are observed. With such a large group, it will be important to address behavioral issues both inside and outside of your own youth group, and to notify the appropriate sponsors. We recognize and appreciate your interest and commitment to the growth, nurture and supervision of the youth.

If you have further questions please feel free to call (269-476-9744) or e-mail (Jason@friedenswald.org) and we will be happy to help.
