

*Art Retreat: October 12-14, 2018*

*Print Making Workshop*

## **Enjoy the beauty of autumn with print-making!**

Develop your skills no matter what level, in the warm company of others in the peaceful woods of Camp Friedenswald. We'll be learning print making using the gelatin print process which results in monotypes (single image prints), and exploring the beauty of the autumn colors around us.

**Work, play and reflect in the company of kindred souls!**
