

Art Retreat: March 8-10, 2019

Print Making Workshop

Enjoy the beauty of spring with print-making!

Develop your skills no matter what level, in the warm company of others in the peaceful woods of Camp Friedenswald. We'll be learning print making using the gelatin print process which results in monotypes (single image prints), and exploring the beauty of the peaceful woods around us.

Work, play and reflect in the company of kindred souls!
