

2022 Winter Youth Camp Information

We are excited to be planning our High School and Junior High Winter Camps and have some preliminary information to share to help inform your planning.

We are planning to be outdoors as much as possible for our 2022 Winter Camps. Please come prepared to spend a significant time outside and dress accordingly (lots of layers!!). All large group activities will take place outdoors, including worship. Worship will be creative and embodied, it will include singing and reflection. Because we will be outside we will be moving around and exploring the ways God speaks through creation and the Psalms.

There will be a variety of other outdoor games and activities available as well. Some smaller group indoor games and activities will also be available to use in common spaces while adhering to our COVID protocols (see below for more details).

Dates

- High School Winter Camp-January 7-9, 2022
- Junior High Winter Camp-January 14-16, 2022

Costs

- \$115 per person for the full weekend
- \$53 per person for the Saturday only day-trip option

COVID Protocol

- We expect that churches and youth group leaders will ensure that every person coming from their group has a negative COVID test within 48 hours of arriving.
- There is a Saturday only day option for local groups that choose not to share overnight accommodations within their group.
- Everyone, regardless of vaccination status, needs to wear masks when gathered indoors in common spaces such as the Dining Hall and Cottonwood Center. Groups can determine their own shared understandings for masking within their lodging accommodations.
- Meals will be offered in shifts and/or participants can have the option of taking food back to their accommodations in portable containers to eat rather than eating in the shared space of the Dining Hall. We will make every attempt to ensure adequate spacing in the Dining Hall between groups and hand sanitization prior to going through the self-service food lines.
- We expect that all participants come to Camp healthy and do a self-screening prior to coming.

More information will be forthcoming as it is available. If you have specific questions in the meantime, please do not hesitate to contact us at 269-476-9744 or program@friedenswald.org. We're looking forward to hosting you this winter!
